

LAFAYETTE COUNTY 2019 TRACTOR CRUISE

Sponsored by Mayview Lions

This year is our 13th tractor cruise. We usually have around 40 tractor drivers and serve 75-80 people a delicious hot lunch complete with homemade pie.

Over the years we have had many businesses and individuals sponsor this event. 100% of that money goes to fund Lions' various charities such as Saving Sight, Children's Center for the Visually Impaired, KU Audio Reader program for Hearing Impaired, Leader Dog (seeing eye dogs), and this year we added Tiny Houses for Veterans. Some of the money is used to fund local community needs including providing eye exams and eyeglasses to children in our school district who otherwise would not be able to have them.

As a sponsor, these generous businesses and individuals receive advertising of their businesses in a directory that each tractor driver and others receive. Their names are imprinted on the backs of the t-shirts that the drivers receive and also on large banners displayed during the cruise and in the park during the evening of the Mayview Picnic.

If you would like to sponsor this worthy event, please contact ...
